All members of your family, including well behaved children are encouraged to attend the classes.

If you are preparing to attend a Beginner course, please remember to leave your dog at home for the first class.

Please do not feed your dog within three hours prior to the start of class. Bring small, tasty food treats (not biscuits) such as; sausage, cheese, ham, chicken etc.
 Proof of vaccination will be required at the start of each course.

Aggressive dogs cannot be accepted. Problems such as biting people or other dogs cannot be improved in a class situation and is likely to make the behaviour worse. If you are uncertain of your dogs suitability for a class environment, please contact us to arrange a One to One Assessment prior to the submission of your Enrolment Form. In the unlikely event that your dog is deemed to be unsuited to the class once the course has started and we had not assessed the dog prior, you will not be able to continue and we regret no refund will be available.

Your place on the course will be confirmed by e-mail. If you do not have e-mail or require written confirmation, please enclose a SAE. Refunds for cancellations on your part are discretionary. Fees/places are not transferable.

We look forward to seeing you and your dog soon.
